# Fraternity and Insurance: A Life-Changing Combination

One hundred and thirty-four years ago, Father Michael J. McGivney worked to protect Catholic families. Now, in 2017, Father McGivney's mission has taken on several different shapes and services, including charitable works, evangelical missions, catechetical programs and, of course, our insurance program.

Your Knights of Columbus Insurance agents are tremendous resources for you and your council. For these men, the Knights of Columbus is more than just a career, it's a vocation, and they are deeply committed to furthering Father McGivney's mission in all its facets.

Ask for their help with membership drives during Sunday Masses. Seek out their assistance with various committees and fundraisers. Lean on them to help supply manpower for hands-on charitable events. Open the door and welcome them. Invite them to full participation in your council life.

The men in your council will no doubt be at various stages of life, with varying needs and varying means. Nevertheless, at some point in their lives, surely most of them will look for life insurance protection, retirement products, disability income or long-term care insurance. When they do, why would they look anywhere besides their very own Knights of Columbus?

But the truth is, many of your council's members probably don't think about our insurance business. They may have met with a field agent once or twice during their time as Knights, but they probably don't know about our current full line of products. They probably don't know about our \$100 billion of life insurance in force. They probably don't know about our consecutive years of receiving the highest possible rating for financial strength, A++ (Superior), from A.M. Best. They probably don't know about our being named a "World's Most Ethical Company" in 2014, 2015, 2016 and 2017. They may not even know of Father McGivney's vision of financial protection for Catholic families.

But they should.

What would it mean to your members to know that the money they spend protecting their family, preserving their retirement, guarding against the financial strain of a disability or providing for long-term care goes to an organization that supports the Church? To an organization that has donated more than \$1.5 billion to charity in the past decade? What would it mean to your members to know that their insurance purchase will someday not only change the lives of their family, but maybe even the lives of families halfway across the world?

Invite your field agent to talk about the Catholic difference.

Set up a fraternal benefits night where he can address the council on our slate of products and the benefits that they bring to Catholic families. Welcome him as a Knight. He, too, is deeply committed — not only to protecting Catholic families financially, but also to standing up for the marginalized, standing up for the poor and standing with the Church.
