

## Christmas Lights & Mural put up at St. Kevin's Parish

Ten brother knights worked from 11:00am until 3:30pm with a short lunch break for Chinese food on Saturday, November 13, 2010, putting up the exterior Christmas lights and installing the nativity scene mural painted by SK Herminio Crisostomo in the middle arch of the front facade at St. Kevin's Parish. White lights were used to create the Christmas tree formation on each side of the main entrance while a set of colored lights was wrapped around seven of the eight supports lining the forecourt of the church and another set of colored lights was used to illuminate the mural.

## Brother Mario Bajar Wins Team Chess Tournament

Council 13881 outside guard Mario Bajar was a member of the winning team at a chess tournament held by the Filipino-Canadian Chess and Social Club on October 15, 2010, at the Fireside restaurant. The other team members were

Ronald Adlao and Rizalino Fernandez. Six teams composed of three players each competed in a round-robin format. He had also finished third in an individual tournament with 16 competitors organized by the club in September at the FAMAS community center. Brother Mario Bajar invites all chess enthusiasts to join the club.

## Stop Procrastinating. Put Your Plan into Action

Most of us are procrastinators. Unfortunately, this compulsion to procrastinate applies to life insurance. The Life Insurance Marketing Research Association (LIMRA) reaffirmed this through a study conducted in September during Life Insurance Awareness Month. One in four households plans to buy life insurance for the bread-winner or another member of the family in the next 12 months. Many of these families are unlikely to follow through on this goal.

During the struggling economy, families have been forced to re-evaluate their financial situation. They are paying off debt and saving more than in previous decades. Life insurance ranks lower and they are willing to wait. A month quickly becomes a year, yet 70 percent of those surveyed agreed that life insurance is the best way to protect against premature death of a wage-earner.

Less than half of all households in North America have individual life insurance. You probably know a friend or relative who is uninsured or underinsured. Maybe it's your family that lacks coverage. What are you waiting for?

This season, follow through on the promise to keep your family financially safe and secure by meeting with your professional Knights of Columbus agent Kevin Ready at (450) 552-1022. Give a gift that shows how much you truly care.
