## New Insurance Program

The Knights of Columbus Insurance is one the top ranked Insurance companies in North America. It's in existence for the sole purpose of providing security and protection for Brother Knights and their families. Recently, the staff at the Supreme Office introduced a new line of products to be introduced throughout the course of 2009. Some of the changes we'll see are programs providing insurance products for those who may have been "uninsurable" before. There will also be reduced premiums for those who meet a specific criteria. There will also be more "riders" that members can choose to further enhance their coverage. The Knights of Columbus Insurance has set sales records for the past 13 consecutive years. The Insurance Program has \$67 Billion of Life Insurance in force, and members buy over \$6 Billion of Life Insurance each year. Make yourself more aware of this program by calling your Fraternal Counsellor, Kevin Ready at (450) 552-1022.
